Thank you for the additional review opportunity. Eric, Alyssa and I have embedded in the attached version a few additional comments and suggested edits, the most prominent of which are found on pp. 18 and 21. I am cc'ing Kamila and Justin on this email in order to make them aware of our comments/edits on those pages in particular. If there are any questions, please contact Eric, Alyssa, or me. Chris!

I noticed that Hans did not send this to everyone so I am forwarding. This is the revised section 21 petition in redline reflecting edits made in response to our IO and Justin. Please advise of any further revisions, etc. Thanks.

**Importance:** High

Attached for review in track changes is the revised section 21 petition response FRN. This version includes track changes to show incorporation of OCSPP IO and Justin Schuab's comments.

We are finalizing other package materials including the action memo, comms strategy and letter to petitioners that we will share soon. Please let us know if any questions.

Thanks,  
Hans
